Commissioner for Patents

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

In response to this requirement, please provide answers to each of the following interrogatories eliciting factual information:

1. What was the Atlanta Fed doing to track ACH transactions before implementing said invention?
 - a. What distinguishing feature makes the invention different from the previous process?
 - b. How is this different from a FedEx tracking system which also tracks the STATUS of a transaction?

The information is required to identify products and services embodying the disclosed subject matter of the invention and identify the properties of similar products and services found in the prior art.

This requirement is subject to the provisions 37 CFR 1.134, 1.135 and 1.136 and has a shortened statutory period of 2 months. EXTENSION OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
